SUBJECT: NEUROVASCULAR STROKE RECEIVING CENTER STATUS CHANGE -
ARMC

The Neurovascular Stroke Receiving Center (NSRC) designation of Arrowhead Regional Medical Center has changed from NSRC I (Comprehensive) to NSRC II (Primary). ICEMA anticipates that this will be a temporary change and providers are asked to reference ICEMA policy 6100 for patient destination for identified stroke patients with “last seen normal” time plus transport time greater than three (3) hours.

If you have any questions, please feel free to contact the ICEMA Duty Officer at (909) 208-8618 or via e-mail at ICEMADutyOfficer@cao.sbcounty.gov.
